## **AUTHENTIC. LOCAL. WOOD-FIRED.**

Welcome to **Pizza Dude**, your local spot for authentic Neapolitan-style pizza right here in Southampton. We believe that great pizza starts with the basics: high-quality San Marzano tomatoes, fresh mozzarella, and a dough that has been proofed to perfection.

What started as a passion for the perfect crust has grown into a mission to bring a slice of Naples to the local community. Every pizza is hand-stretched and fired at 500°C to give you that signature leopard-spotted char and incredible flavour.
